

Adopt-a-Family

More than 1,800 men, women and children sleep in warmth and safety each night as clients of Volunteers of America Greater Sacramento & Northern Nevada. Many are unexpectedly homeless and in need of emergency shelter, others have been homeless for months or years and are now working their way back to productive independence through our transitional housing programs.

Through Volunteers of America's Adopt-a-Family campaign, you can help make Christmas a little brighter for both families and single clients, and remind them they are not forgotten. For more information, call Community Relations Manager Tiffany McMurray at 916.442.3691, or email her at tiffanym@voa-sac.org.
