

Join the **100 Pack!**

To commemorate our centennial (we turned 100 this year!), Volunteers of America Greater Sacramento is introducing a new component to its Operation Backpack drive – the **100 Pack**.

The Operation Backpack 100 Pack is comprised of all types of Sacramento-area groups, including “packs” of family members, co-workers, classmates, faith-based congregation members and more, who are dedicated to making a difference in the lives of children in need.

Why wait for the official start of the drive? Gather together your personal network of family, friends, or colleagues, and join the 100 Pack today! It’s as easy as A - B - C!

A Recruit friends, family, colleagues to collect backpacks and supplies!

- Introduce the idea around the kitchen table, at the conference table, on bulletin boards, your websites, via email blasts and through social media
- Let everyone on your team know they can learn more at OperationBackpackSac.org

B Sign up your group as an official 100 Pack team!

- Make it official by signing up your community-minded team by emailing us at OperationBackpack@voa-sac.org; we’ll add your group to the 100 Pack roster, acknowledge your generosity on our website’s 100 Pack page – we may even see your group on KCRA Channel 3 during July 22’s public drop-off event!

C Download our school supply lists and publicity materials!

- Go to the “100 Pack” tab at OperationBackpackSac.org and see the variety of promotional materials available to groups hosting their own backpack drives— you’ll find news releases, a variety of fliers and mini-posters; click on the “School Supply Lists” tab and you’ll be able to download school supply lists for all grade levels
